

CASTAÑAS ASADAS

INGREDIENTES

Castañas	
----------	--

APARATOS, UTENSILIOS

Cuchillo	
Horno	

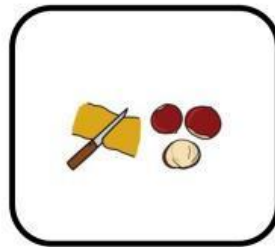

ELABORACIÓN

1	Hacer un corte en la castaña	An illustration showing a yellow knife with a brown handle cutting into a yellow chestnut. To the right, there are three chestnuts: two are whole and red, and one is cut open, showing its light-colored interior.
2	Meterla en el horno a 200° durante 20 - 25 minutos	An illustration showing a hand placing a red chestnut into a small white box with a downward arrow. To the right is a grey oven with a blue interior and a glass door.
