

## PROJECT: We are graphich designers

11th October

| HAVE YOU FINISHED THESE TASKS?                                                                                                                                                                                          | YES                                                                               | NO                                                                                  |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| 1- Searching for a picture on  flickr                                                                                                  |  |  |
| 2- Downloading the licensed picture in my tablet<br>  |  |  |
| 3- Storing the picture in Google Drive                                                                                                 |  |  |
