

## Prefixes

A **prefix** is a syllable added **before** a root word. It changes the meaning of the word, to create the new word.

**Draw a line from the prefix to its meaning.** HINT: If you are stuck, think of a word you know that begins with the prefix or re-watch the video.

- |                 |  |
|-----------------|--|
| 1. de-          | a. away, down, opposite, reverse, from |
| 2. auto-        | b. before, in front of                 |
