3 Read and answer the questions

We are in a summer camp in Mavrovo. We are going to stay here for ten days. The weather is windy, sunny and sometimes gets very cold at night. I wear a T- shirt, shorts and sneakers. When it's very sunny, I wear a hat. We usually eat sandwiches for breakfast. Tomorrow we are going to go to the lake. We like to swim in the lake. On Saturday, we are going to go camping. We love sleeping in a tent. I want to see a bear. Our teacher says we can find some wild strawberries. There are a lot of flowers and birds. It's really beautiful.
