Optional extension / homework

Part 1: Read the following responses to the three questions and complete the sentences with a word from the box.

digital / downsides / shots / share / advantage / lighting / frame / selfies

I think the biggest _____¹ is having memories of special people and moments and being able to look back at times, both good and bad. When I visit my parents, I love going through old photographs together while having a trip down memory lane. The other benefit is that it is a great hobby. Taking photos can be a lot of fun and it is interesting seeing what _____² you have taken. The _____³ include people being so worried about getting a great shot that they miss the moment. It is better to just enjoy it and take it all in. Another is, nowadays people are obsessed with taking _____⁴ which I think is a bit unhealthy especially as most of them are touched up and filtered. And finally, because of social media, people take way too many photos and post absolutely everything on social media which is boring.

Technology has completely changed the way we take photos. _____⁵ photography and smartphones have made photography more accessible. It is so easy for people to take and _____⁶ photos. You can also edit your photos at the press of a button. Nowadays, people don't print photos but instead, have digital folders. It is a shame as it is not the same as looking through a printed album.

Well, the subject matter is important. You need to capture something interesting and visually appealing. Then after that good technical skills help like knowing how to _____⁷ the photo, and the general composition of the photo. Elements like _____⁸, lines, shapes and colour all help make a good picture.

Part 2: In pairs, read the phrases below from the answers and match them to the correct meaning.

- | | |
|---|---|
| 1. take a trip down memory lane (idiom) | a. done very easily |
| 2. at the press of a button (idiom) | b. much better than anticipated |
| 3. touch something up (phrasal verb) | c. improve something by making small changes or additions |
| 4. exceed expectations (collocation) | d. remember happy times in the past |

Answer the following questions.

1. Who do you enjoy **taking trips down memory lane** with?
2. What do you love being able to do **at the touch of a button**?
3. When was the last time something **exceeded your expectations**?
