Hello! My name is Piccolo. I'm twenty seven years old. I live near a lake on Earth. These are my friends: Krillin, Bulma and Pan.

Krillin is confident and naughty. He isn't shy or lazy. He is the funniest. He is more exciting than Bulma but he is less beautiful. Pan is beautiful and brave. She isn't famous. She is the shortest person and the most careful.

Bulma is interesting and clever. She isn't brave or naughty. She is the most intelligent person but the least careful. Bulma is also the meanest person.

Goku is kind and exciting. He isn't careful or bad. He is the most famous person in the world.

I am an interesting and shy person. I'm not bad or coward. I am the most hard-working but sometimes I am selfish too.
