Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the questions.

Computer technology is an increasingly important aspect of modern school life and has dramatically changed the way students go about their daily activities.

For students, computer technology has provided an **indescribable** wealth of resources, information and knowledge. Since the introduction of the internet, students are now able to access information on whatever subject they want, wherever they want. Resources include journals, articles, e-books, practice tests and examinations, model answers and research findings. Research has also suggested that computer technology has helped students to improve their grades in other subjects, most notably science. Practically, students can work much faster using a computer which enables them to do more study in the same period of time.

28. What is the best title of the passage?

- A. How Computer Technology has changed school life
- B. Solutions to Computer Technology
- C. Forms of communication
- D. Communication technology

29. What does the word “**indescribable**” mean?

- A. bad to describe
- B. impossible to describe
- C. very important and needs to be described
- D. plentiful and very important

30. What are the resources students can access since the introduction of the internet?

- A. Journals, articles, e-books, practice tests and examinations, and research findings
- B. Journals, articles, e-books, practice tests and examinations, model machines and research findings
- C. Journals, articles, e-books, practice tests and examinations, model answers and research findings
- D. Journals, practice tests and examinations, model answers and research findings

31. What is the most common subject in which students who use computer technology can improve their grades?

- A. Foreign language
- B. Science
- C. Chemistry
- D. Biology

32. What best helps students study more?

- A. A smart phone
- B. A calculator
- C. A computer
- D. A tablet
