Read the story. Write some words to complete the sentences about the story. You can use 1, 2, 3 or 4 words.

Vicky likes to play in the basement when the weather isn't nice. She also likes to read in the basement, and there is a bookcase with her favorite books there.

One day, it was very cold and foggy, so Vicky didn't want to play outside. She went to the basement and looked at the books, but she couldn't decide which one to read. Then she saw a book which wasn't hers. The book was blue and it said "The Queen's Cave" in gold letters. Vicky tried to pull the book off the shelf, but it was very heavy. Suddenly, the book fell out and the bookcase started to move!

The bookcase moved to the left. Vicky saw an empty space in the wall behind it. She looked inside, but it was too dark to see. She ran upstairs to find her torch. When she looked inside again, she could see a little room. Carefully, she climbed into the room. "Wow", she whispered. "I didn't know there was a queen's cave in my basement". She looked around the room. It was full of treasure.

There were boxes of gold and silver, old paintings, rings, and beautiful dresses and skins. Vicky laughed. "I'm rich!", she shouted. She put on one of the dresses, which was a lovely purple color, and put on a few rings too. She danced around the room. Then she picked up the book that said "Queen's Cave" and started to read. It was a story about a queen who had to hide her things and run away from a monster, but one day the right person found everything again. Vicky smiled. "I always wanted to be a queen!"
