

## The Nervous System

<b>Brain</b>	<b>Spinal cord</b>	<b>skull</b>
<b>Signals</b>	<b>nerves</b>	<b>Nervous system</b>

1. The \_\_\_\_\_ is responsible for all the activities of your body.
2. The \_\_\_\_\_ form a network throughout the body.
3. The \_\_\_\_\_ acts like a computer that controls the body's functions.
4. The \_\_\_\_\_ runs down the middle of the body and connects the brain and nerves.
5. The \_\_\_\_\_ protects the brain.
6. The brain sends \_\_\_\_\_ throughout the body, telling the body how to react and respond.
