As you know, the school uniform was changed last year without any consultation. We complained before the change took place but our headmaster didn't listen to us. We now have a uniform which is less popular, more expensive and less comfortable. Students and parents are unhappy and some people are refusing to wear the uniform. That's why I want you to support me in my efforts to reverse this decision. If more of us complain, it's more likely that we'll be able to do something about this.

- 1 The author of the text is:
- A encouraging people to join a campaign.
 - B suggesting that people should stop wearing the uniform.
 - C comparing their uniform with other schools' uniforms.

Dear Parent,

As you may remember, at the end of the last school year, it was decided that the school should become an Eco-school. The campaign was led by Mr Davies, who is sadly no longer with us. Mr Davies' replacement hasn't arrived yet so Mrs Baker has agreed to take over temporarily. As an Eco-school, we shall have a number of Green Days during the year, the first of which will take place on October 4th. This will be a non-uniform day as students may be carrying out activities which would be better done in comfortable, older clothes.

2 The text

- A justifies reasons for a new policy.
- B introduces a new member of staff to parents.
- C informs parents of a forthcoming event.

Tekst 3.

Following our inspection which took place in March this year, we are making the following recommendations:

- More consultations with parents are needed, especially regarding behaviour problems.
- The setting up of a student council would be helpful so that students have a way to communicate with teachers on an organised basis.
- The school would benefit from a reduction in formal testing with younger age groups.
- There should be a variety of activities in all lessons. This would keep students interested and motivated even at the end of a busy day.

3 The text has been written for

- A parents.
- B students.
- C teaching staff

Dear Parents,

I am writing to let you know that there will be no lessons in the school on May 23rd as Year 13 will be taking their final, end-of-year exams that day and several classrooms will be needed. The canteen and common room will be open as usual and children will be supervised by members of staff. If you would like to send your child to school on that day, please complete and sign the form below. We need to know exact numbers so that we can ensure we have enough members of staff on duty.

- 4 On the 23rd of May

- A the school will be closed completely.
- B most students will not have to attend school.
- C parents must inform the school if their child cannot attend.
