II. Read the passage and complete the sentence.

Hi, there. My name is Tommy. I really like art, English, and literature. They're really interesting and can be fun. I don't like math, geography, or science. They're boring. My favorite subject at school is literature. I like learning about stories of people from different places and times. My favorite book is The Secret Garden. The author is Frances Hodgson Burnett. The girl in the novel, Mary Lennox, goes to live at her uncle's house and discovers a secret garden. She becomes friends with Dickon and her cousin Colin Craven. They often play together and take care of the garden. It's a very interesting story and I really love their friendship.
