My Scary Future Prediction

A lot of people dream of a future in which our lives are made easier by countless inventions and the world is a better place for us all. But I predict a very different world.

There are too many people on this overpopulated planet, and we produce too much pollution. We are heading towards a 1 _____ crisis. One day the air will become too poisonous to breathe and we will have to live in underground cities where the atmosphere is cleaned by special machines. It will be so difficult to grow crops that food and vegetables will be 2 _____. Many people will go 3 _____, and even those that can afford food will be very unhealthy.

That's why it makes me 4 _____ when I see people ignoring 5 _____ issues. The matter is in our own hands. The only 6 _____ thing to do is start working on ways to reduce pollution now so we can avoid this dark future.
