Read the following passage and mark the letter A or B on your answer sheet to indicate if the following statements are True or False.

Many of us may be surprised to hear the name "School of the air", but there are over ten of them in Australia. Students of these schools study at their homes. They get lessons from their teachers through post or e-mail.

They have to work five or six hours a day, five days a week, from Monday to Friday. They send their work to the teachers and discuss it over the Internet. They can borrow books from the school library, and the books arrive by post. They also take part in outside classroom activities such as sports and games.
