

My city

Instructions: Listen to the audio and read it out loud.

I live in a big city called New York. It is a very exciting place to live. There is always something to do and see.

My city is home to many different people from all over the world. There are people from all different cultures and backgrounds. This makes my city a very diverse and interesting place.

My city is also a very beautiful place. There are many parks, gardens, and other green spaces. There are also many historical buildings and monuments. I love living in my city. It is a great place to grow up and learn. I am proud to call my city home.

One of my favorite things to do in my city is to visit the Museum of the moving image. The museum has a wide variety of exhibits on different topics, such as art, science, and history. I always learn something new when I visit the museum.

Another thing I love to do in my city is to go to the Central park. The park is a great place to relax and have fun. There are playgrounds, sports fields, and walking trails. I also like to have picnics in the park with my family and friends.

I am very proud to live in my city. It is a great place to live, work, and raise a family. I am grateful for all that my city has to offer.

Make these Questions to your classmates.
