Dear Mom and Dad,

I'm having so much fun at summer camp! We've been doing cool stuff like sailing, climbing, and hiking. When we went hiking, I carried sandwiches in my backpack, and we had lunch in a beautiful forest under the trees by a river. There were animals in the river, like ducks and fish.

Sailing was awesome; the wind carried us across the water like magic. I even got to steer the boat! Climbing was super exciting; I reached the top like a real adventurer.

I miss you guys, but I'm making new friends and having the best time. Can't wait to tell you more when I get back! Love you!

Hugs and smiles,
Lisa
