## Ejercicio de Restas y Sumas de 3 cifras

**¡Resolvemos!**

1. Resolvemos las siguientes operaciones. (8 pts)

|                                                       |                                                       |                                                       |
|-------------------------------------------------------|-------------------------------------------------------|-------------------------------------------------------|
| $\begin{array}{r} 342 \\ + 241 \\ \hline \end{array}$ | $\begin{array}{r} 724 \\ + 123 \\ \hline \end{array}$ | $\begin{array}{r} 958 \\ + 548 \\ \hline \end{array}$ |
|                                                       |                                                       |                                                       |
|                                                       |                                                       |                                                       |
|                                                       |                                                       |                                                       |
| $\begin{array}{r} 386 \\ + 713 \\ \hline \end{array}$ | $\begin{array}{r} 611 \\ + 142 \\ \hline \end{array}$ | $\begin{array}{r} 824 \\ + 455 \\ \hline \end{array}$ |
|                                                       |                                                       |                                                       |
|                                                       |                                                       |                                                       |
|                                                       |                                                       |                                                       |
| $\begin{array}{r} 781 \\ + 412 \\ \hline \end{array}$ | $\begin{array}{r} 654 \\ + 783 \\ \hline \end{array}$ |                                                       |
|                                                       |                                                       |                                                       |
|                                                       |                                                       |                                                       |
|                                                       |                                                       |                                                       |
