Dear Steve,

Hi! It's great to be in the school band! We meet every Monday and play together. I <sup>1</sup> can / **must** / mustn't practice every day. I play the drums and guitar.

You really <sup>2</sup> should / shouldn't / can't come and listen to us. But you <sup>3</sup> should / can / mustn't make any noise when you come. Everyone who comes <sup>4</sup> can't / mustn't / should just sit and listen. You <sup>5</sup> can / must / mustn't bring a friend if you want to. But you <sup>6</sup> must / shouldn't / can bring your dog – I know that you can sit for a long time, but Bonzo <sup>7</sup> can't / mustn't / shouldn't!

Let me know when you <sup>8</sup> can / can't / should come!

Ben
