

Reading

1 Read and number the pictures.

# Sally Saves the Day!

1. Jack and Emma live near a big forest. They love going for walks there. The forest is very pretty, and they love looking at all the animals, especially the birds. There are beautiful parrots in the forest.
2. One day, Emma and Jack hear a small noise, like a tweet. They look under a leaf and see a little parrot. It looks sad. There is something wrong with its wing. It can't fly.
3. The children take the parrot home and give it water and nuts. "Let's call her Sally!", says Emma.
4. Sally is stronger now and can fly a little. The children teach her some words. "Food!" says Jack, pointing to the nuts. "Help!" says Emma, pointing to Sally's bad wing.

2 Read and write Yes or No.

1. Jack and Emma live near the beach.
2. Sally has a problem with her wing.
3. Jack and Emma take Sally to school.
4. Emma and Jack give Sally nuts.
5. Sally learns new words.
