I have a [redacted]
That I've never told
It could be yellow

It comes from many places
Around the world

When I smell a portion
I twist my [redacted]
Oh la la, Oh la la
This is my cheese
I love it, I love it
I love my cheese

With honey with bread
Even with milk
On the [redacted]
It could be a good meal
With macaroni, spaghetti
In a soup

Cheese in all menús

Oh la la, Oh la la
This is my [redacted]
When I smell a portion
I twist my knees
Oh la la, Oh la la
This is my cheese
I love it, I love it
I love my cheese

Oh la la, Oh la la
This is my cheese
[redacted] I smell a portion
I twist my knees
Oh la la, Oh la la
This is my cheese
I love it, I love it
I love my cheese
