Used to or would

* would is **NOT** used with non-continuous verbs like: be, have, know, understand, see, smell, hear, feel, realize, have, possess, own

Tick the correct option. Sometimes both options may be possible

When I was little, I *used to/ would* share a bedroom with my sister, Catherine. I *used to/ would* go to bed earlier than her. My mum *used to/ would* sing me nursery rhymes until I fell asleep. Our mum *used to/ would* be afraid of spiders. Once she was singing me a nursery rhyme when she stopped and stood up. She asked me to leave the bedroom as fast as possible. Later I found out that there was a big hairy spider in the air grille. There *used to/ would* be such spiders in our old house. Our mother *used to/ would* carry them out carefully.
