At weekends, Zara usually gets together with a few other musicians and friends. They make music videos and upload them to the Internet. Their videos are very popular – the last one had ten thousand views on its first day.

Zara is still at school, but she already knows what she wants to do with her future. "When I leave school, I'm going to travel around the world and explore different types of music. My ambition is to become a successful musician. It won't be easy!"
