

As soon as I know  
anything ...

You'll feel better ...

He would like to retire ...

Jack won't leave home ...

If you make a noise ...

We won't catch the  
6 o'clock train ...

We can't go out ...

I'll never finish this today ...

I'm not going to start  
the class ...

I can't buy the food ...

Unless we run ...

You can go home ...

Hannah will be really angry ...

Write that down ...

I'll go to the bank ...

We won't get a  
cheap flight ...

Turn off all the lights  
and lock the door ...

When I leave school ...

... if you take an aspirin.

... when he's 55.

... until everyone  
stops talking.

... I want to go to university.

... until it stops raining.

... we won't catch the bus.

... unless we book early.

... as soon as you finish  
the exercises.

... I'll call you.

... unless we get a taxi  
to the station.

... as soon as it opens.

... unless you help me.

... until I know how many  
people are coming to lunch.

... before you forget it.

... before you go to bed.

... you'll wake the baby up.

... when she finds out.

... until he gets a job.
