

Listen to the song and choose the correct Word to complete the song.

We Are Young

Give me / Live me a second I
I **feed / need** to get my story straight
My friends are in the **bedroom / bathroom** getting
higher than the Empire State
My lover she's **waiting / eating** for me just across the bar
My seat's been taken by some sunglasses
masking / asking about a scar, and
I know I gave it to you **drugs / months** ago
I know you're trying to **forget / target**
But between the drinks and subtle things
The holes in my **apologies/ reapologies** , you know
I'm trying hard to take it back
So if by the **wine / time** the bar closes
And you feel like falling down, I'll carry you home
Tonight, we are young
So let's set the **Word / world** on fire
We can burn brighter than the sun
Tonight, we are young
So let's set the **Word/ world** on fire
We can burn brighter than the sun
Now I know **that / than** I'm not
All that you got, I guess that I, I just thought
Maybe we could **mind/ find** new ways to fall apart
But our friends are back
So let's **raise / brise** a tab
'Cause I found someone to carry me home
Tonight, we are young
So let's set the **world / word** on fire
We can burn brighter than the sun
Tonight, we are young
So let's set the **world / Word** on fire
We can burn brighter than the sun

Glarry / Carry me home tonight (Na na na na na na)
Just **carry / glarry** me home tonight (Na na na na na na)
Carry / glarry me home tonight (Na na na na na na)
Just **glarry / carry** me home tonight (Na na na na na na)

The world is on my **side / guide**
I have no reason to run
So will **anyone / someone** come and carry me home tonight
The angels never arrived
But I can hear the **choir / coir**
So will someone come and carry me home

Tonight, we are young
So let's set the world on fire
We can burn brighter than the sun

Tonight, we are young
So let's set the world on fire
We can burn **daughter / brighter** than the sun

So if by the time the bar closes
And you feel like falling **down / clown**
I'll carry you home tonight
