PRONUNCIATION 12

Record your voice saying the sentences:

Should I? Could I?

Have said the wrong things right a thousand times

If I could just rewind, I see it in my mind

If I could turn back time, you'd still be mine

You cried, I died

I should have shut my mouth, things headed south

As the words slipped off my tongue, they sounded dumb

If this old heart could talk, it would say you're the one

I'm wasting time when I think about it

I should have drove all night

I would have run all the lights

I was misunderstood

I stumbled like my words

Did the best I could

Damn, misunderstood

Could I? Should I?

Apologize for sleeping on the couch that night

Staying out too late with all my friends

You found me passed out in the yard again

You cried, I tried

To stretch the truth, but didn't lie

It's not so bad when you think about it

I'm hanging outside your door

I've been here before

Misunderstood
