School Camping Trip.

Last month, twenty students from year 8 were on the school camping trip.

Students stayed in tents near a river. It was fun! They didn't have lessons, but they fished every day and they learned how to make a bridge over the river, too. They used rope and wood.

It wasn't cold at night. They had warm sleeping bags. It was very dark, but the students had torches. One night, there was a noise outside. They were scared, but when the students looked outside, there was only a cat.

The students cooked food in frying pans on a fire. Sometimes they cooked the fish from the river! One day, it rained and their matches were wet. So they started a fire with two sticks!
