

## Unit 8 CB page 81 74

**Narrator** Are you planning a trip to Peru? Do you want to see the Nazca Valley and the Nazca lines in the Nazca Desert? If the answer is yes, then come with Mystery Tours! The Nazca lines are ancient and were drawn in the desert by the ancient people of Peru. They are very big! So the only way to really see them is from the sky. Mystery Tours take people on flights every day. The flights start at 8 a.m. and 4 p.m. Each plane carries six people. Each trip lasts one hour and fifteen minutes. When you arrive at the airport in Nazca, there will be a guide to meet and welcome you. The guide will show you a video about the history of the ancient Nazca people and a map of the Nazca lines. The guide will also show you a video which shows all the figures you will see. Then, your guide will give you information about what you are going to see. Come with us and see the Nazca Lines. It's an amazing experience! Wear sunglasses because it gets very hot in the desert. And don't forget your camera!
