Andy, my younger brother, ⁴ (not know) how to play a musical instrument, but he ⁵ (spend) hours on the internet finding out about the latest bands. Me? Well, I ⁶ (not want) to be a rock star, but I'd like a job in the music industry one day. That's why I ⁷ (take) an online course in how to write music for computer games. It's really interesting. What about you? What kind of music ⁸ (you / enjoy) listening to? ⁹ (your sister / usually / listen) to the same kind of music? ¹⁰ (you / listen) to music right now?
