TEST 1

1. Read the letter and write T (true), F (false) or N (not in text) for each statement.

Dear Kim,

I'm having a great time here in Bath. I'm staying with the Wilson family. They are English. They have three kids. I'm trying to study but the two teenagers are playing a computer game in the living room, and the little boy Jamie is playing with the dog. They are really nice, but sometimes they are noisy!

As you know, I'm studying English at a language school here. I'm enjoying the classes very much – our teachers are really nice, and there are people from many different countries here so I need to speak English all the time. In the evenings we go out and on the weekends we go on trips. Bath is really old and beautiful, but the weather here is really bad.
