

Irregular Verbs: The **Past Participle**

Prof. Christian Cruzata.

Instructions: This activity is to help you identify the past participle forms of each given base form verb listed in color yellow. To give your answers, there are two answer box sections. Each answer box has a drop-down arrow.

Click on the arrow, as you click on it you will see a small list of answers. Choose and click the correct past participle form. Examples given with the verbs **bear**, **hang**, and **lie (down)**.
