Exercise 2

Idioms Listening

For the idioms listening exercise you need to listen to the following recording and then answer the questions. The recording has five idioms being spoken, and you need to decide which option (A-D) in each question has the correct definition or meaning.

Idioms Listening

Chose the correct definition for the idioms in this recording.

16. What is the meaning of the first idiom in the recording?

- A. To say the same thing many times, or to repeat something even though everyone knows about it.
- B. To be the very last contestant in a race or completion.
- C. To be involved in something that is too difficult for you to finish.
- D. Something that has been left and not used for a long time, or something that has been forgotten.

17. What is the meaning of the second idiom in the recording?

- A. To talk with someone you find attractive to try to make them like you.
- B. To have to say the same thing over and over again to someone without them paying attention to you.
- C. For a long time.
- D. To say that you do not believe something will happen.

18. What is the meaning of the third idiom in the recording?

- A. A very long time.
- B. Something that is very difficult or very hard to do.
- C. A way to say that you think someone did something that was very silly or stupid.
- D. To realize what something is really like and see that it is harder or more difficult than you thought.

19. What is the meaning of the fourth idiom in the recording?
- A. To win or be successful at the very last moment when it appeared that you would lose or fail.
 - B. To treat someone as if they were a very important person.
 - C. A way to say that you are doing what you are required to do.
 - D. To say that you should think carefully about spending money as there is only a limited amount.
20. What is the meaning of the fifth idiom in the recording?
- A. To do something so that it is hidden from someone and they do not know about it.
 - B. To think about something very hard, or to try to remember something.
 - C. To not say something that you want to say.
 - D. To have to manage by yourself with no help from anyone.

Exercise 3

Idioms Matching

Students draw a line to match idiom to the non-literal meaning.

- | | | | |
|--|---|---|--|
