

LISTENING

Listen to a disaster report. Fill in the blanks with words you hear.

I'm here on highway 49. The ground is _____ and people are getting out of their cars. I can see the cars shaking and the ground is _____. Luckily, no one is on the bridge so everyone is _____. People are in shock. This is the strongest one we've had for 10 years. The police have _____ and will close all _____ roads. The shaking has stopped now. I hope there are no aftershocks.
