Causatives

Colin is organizing the "End of the Year Party" at work.

He has written down the list of things to-do.

Rewrite the list using causative "have" or "get". Use Active Causative when the doer of the action is mentioned.

1. Ask Danny to make the guest list

2. Ask Jo to decorate the room

3. Ask Eric to make a budget

1: _____

2: _____

3: _____
