He told me to go skating with him on Saturday afternoon in December. I borrowed the skates and we went skating. It was cold outside. We wore hats, coats and gloves to keep warm. He showed me how to put on the skates. He helped me to walk onto the ice. He showed me how to start moving. He also showed me how to stop. I moved very slowly at first because I was scary to fall. I kept trying day by day. Soon I felt much better. I liked skating.
