8 Complete the text with nouns from the box. There are two nouns that you don't need.

belief exercises people resources style system technology

These days, anyone interested in learning a language can do so if they have a decent Wi-fi connection speed. Access to such ¹ _____ means you literally have a world of websites, apps, online learning communities and translators at your fingertips. But with so many learning ² _____ available at the click of a button, language learners are actually spoilt for choice and may struggle to make the right decisions. ³ _____ today are busier than ever, whether it be due to concentrating on their careers or family life, and they don't have time to spend on checking endless websites for self-study language programmes. Studying a language is not a one-size-fits-all activity, and no single way of learning will appeal to everyone. Some like plenty of quizzes and games, whereas others prefer more mechanical ⁴ _____ such as listening and repeating or grammar practice. Whatever your personal language-learning ⁵ _____, though, there's bound to be an online course that suits you.
