Making Healthier Choices

My subject today is fast food. A recent [1] *survey* shows that 30% of American teens eat fast food at least twice a week ... and, I hate to [2] _____ it, but I am one of them. I know this food is unhealthy, but it has become part of our [3] _____ . All my friends eat fast food and we don't think about the health [4] _____ when we take a bite out of a burger or enjoy French fries. Nevertheless, I think something must be done to help us eat healthier foods. Maybe the government should [5] _____ to make the sale of fast food [6] _____ in school cafeterias. I'm sure that a [7] _____ like this on fast food would help teens make healthier choices. What do you think?
