Hi Carlos,
I think eating out for my birthday is a great idea. But which restaurant? It's difficult to say because the people in my family like different kinds of food.

My brother likes beef and chicken, but my sister doesn't. She likes seafood and vegetables. My father likes meat, spaghetti, and potatoes. My mother doesn't like beef, but she likes chicken. She also likes vegetables. And I like vegetables, too. And I love Japanese and Korean food. My favorite foods are sushi and kimchi!

Maybe we can have pizza. My brother, sister, and parents all like pizza! I like pizza, too! How about that good Italian restaurant on Fourth Street?

Let me know!
