But I can't _____ from asking: Are you _____ yet?

And if you're _____ lonely, you should tell me

Before this _____ up as another memory

Will you tell the truth so I _____ have to lie?

Feels like I've _____ you my whole life

I can see right _____ your lies

I don't know where we're _____

But I'd _____ to be by your _____

If you _____ tell me how you're feeling

Maybe we'd get _____ this undefeated

_____ on for so long

'Cause we could stay at _____ and watch the sunset

But I can't help from asking: Are you _____ yet?

And if you're feeling lonely you _____ tell me

Before this ends up as _____ memory

Will you tell the _____ so I don't have to lie?

Will you tell the truth so I don't _____ to lie?
