

READING: IDENTIFYING FACTS AND OPINIONS

ALL ABOUT CLOTHES ...

I'm Marta, and I'm a fashion blogger from Chile. I love making my own clothes and posting pictures of them on this blog!

- A** I write my blog at home. I need to wear warm clothes because my house is cold. In this picture, I'm wearing my favorite work clothes – I call this my uniform! I think this dress is ¹**anfcitsat** – it's really long, and it keeps me warm, too. My best friend makes jewelry – in this picture, I'm wearing one of her necklaces.
- B** I love walking, and there are lots of mountains in Chile. I often go hiking on the weekend. Here I am in my favorite hat and hiking pants. I think they're ²**tearg**!
- C** I'm not just a fashion blogger! I also have a part-time job. I work as a waitress in a café near my home. I can wear what I like because there's no uniform. I usually wear this black skirt and attractive white top because I think it looks really ³**cnei**. Do you like my shoes?
- D** This is my ⁴**eautflub** little brother! He's only five years old. I really like making clothes for him. He's wearing green pants and a T-shirt because these are his favorite clothes.
- E** The clothes I make aren't always good. This dress is horrible – it's ⁵**srnibregams**! It's too big for me, and it's also too short. It's ⁶**fulwa**, I know, but everyone makes mistakes!
