ABOUT ME

Hi all!
My name's Helen.

There are many activities to do in my free time, but I like making cakes the most. I learn how to make cakes by following instructions from the Internet and cookery books. They are really helpful. I can now make different kinds of cakes. They are delicious. My mother loves my cakes. I also like reading comics. My bookshelf contains *Doraemon*, *Detective Conan*, and many other comics series. I can learn many exciting things, such as fashion, lifestyle or friendship. I can even draw characters in those books.

What about you? What do you do in your free time? Leave a comment and let me know about your hobbies.

Ann

Thanks for sharing your interesting post, Helen. I really like them. I love reading comics, too. They are exciting. When I have free time, I like to play online games. People think online games are for boys only, but I don't think so. The games are for all, but we should play them in the right way. It isn't the right thing to play them too much. I love collecting lovely stickers in my free time, too. I use them to decorate my notebooks.

comments

Hi, Helen and Ann. I don't really like reading comic books. But I am a fan of Marvel comics, such as *Spider-Man* or *Iron Man*. I like playing games, too, but I prefer outdoor games. I like running and moving my body rather than sitting in front of my computer screen for long hours. Sometimes, I stay home and build model cars when I don't feel like going out. I now think of saving money to buy a set to play on weekends.
