You asked me to describe myself so this …….. a photo of me. I …….. with my best friend Anne. I …….. curly hair and Anne …….. long straight hair. I …….. dark skin. We …….. both medium-height. Anne seems serious but she …….. quite funny. We …….. both friendly. People say that I …….. really hard-working but a bit stubborn. In our free time, we both like dancing, horse riding, and hanging out with our friends.

My favourite subjects at school …….. Biology and Languages. I did a test about multiple intelligences and the results said that I …….. Linguistic, Naturalist, and Interpersonal. I agree with the results because I …….. good at languages, I …….. a lot of pets and plants at home and I …….. a lot of friends at school.

Anne's culture and my culture …….. quite different. Our families …….. from different countries so we …….. different traditions. Also, we …….. different religions. Anne …….. an atheist but I …….. a catholic. We both like learning about different cultures and we …….. respectful of other people's perspectives.

What is your best friend like?

Best wishes,

Hannah
