

OMEN

I'm _____ something, something
different

When you left, my _____ changed
I was blinded, I'd not envisioned

The same face in a different _____

It's an omen, caught my baby _____
Saw the silver *****

It _____ be an omen

Needed you to show me, without you I am

My mind would _____ my heart
I didn't pay _____ to the light in the
dark

It left me torn *****

But now I see your _____ are an omen

Oh-oh-oh-oh

Oh-oh-oh

Omen

Oh-oh-oh-oh

Oh-oh-oh

Omen

You were waiting, I was _____

You left before my eyes, then it hit me

You're _____ and I need you by my
side

It's an omen, caught my baby crying

Saw the silver _____

It must be an omen

Needed you to show me, without you I am
lonely

My mind would rule my heart,

I didn't pay attention to the light in the dark

It left me torn _____,

But now I see your tears are an omen
