

READING

A Look at the photos. What are they?

a rocks

b sea animals

c seaweed

WHAT IS IT?

Do you know what this is? It's a cuttlefish. It's like an octopus. The cuttlefish is an amazing animal. It changes color to hide. In the sand, it is the color of sand. In seaweed, it is the color of seaweed.

What do you think this is? It's a mimic octopus. It changes colors to look like different animals. Sometimes it looks like a scary snake and sometimes it looks like a fish.

B Read *What is it?*. Complete the diagram. Use the descriptions (a-f) in the box.

a lives-in-the-sea

b sometimes looks like a different animal

c sometimes looks like the color of sand

d changes color

e sometimes looks like a fish

f sometimes looks like the color of seaweed

C EXAM PRACTICE Complete the sentences. Choose no more than three words from the passage in **A** for each answer.
