1 Read and number to make a food chain.

- [ ] Lions hunt antelopes. They eat their meat to get energy.
- [ ] Antelopes eat leaves from bushes. This is how they get energy.
- [ ] Bushes need water and the sun to grow.

2 Think! Match the animals with the habitats.

whale

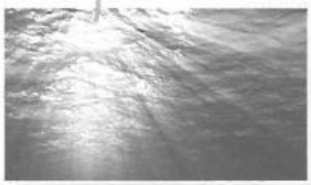

elephant

deer

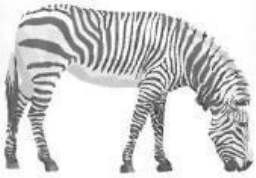

antelope

ocean

forest

zebra

grasslands

seahorse

owl

turtle

woodpecker
