Hi Andy,

Greetings from Atlanta! I'm having a great vacation with my family. It's a bit windy today so we're visiting an underground shopping mall. It's huge, so you need a map to follow when you are walking around. You can find everything here. There are shops selling clothes and shoes as well as stalls selling antiques and pottery. There's even an indoor amusement park! We're going to it this afternoon. I can't wait. I'm shopping with my sister right now. We are buying souvenirs for all our friends. My mom and dad are having a snack and a drink in a café. It's a pity you aren't here. See you soon,
Paul
