

1  **Tia:** I love this! I take it to my friend's house and we watch films on it, and I put all my photos from my phone on it. Everyone in my family has one now. We all like them.

2  **Bruno:** I've got one of these. I use it to help me with my homework. When we do projects, I go on different websites and find information. I also play games on it.

3  **Daniela:** I take photos and send texts with this and I use it to talk to my friends, too. I like it because it's small and I can carry it in my bag. My parents don't like me using it a lot.

4  **Victor:** We've got one of these in our kitchen. It's really fun. You ask it questions and it can tell you the answer. Well, sometimes it can. It doesn't always know the right answers. It also plays music and helps you remember things.
