I wake up every day at 6 a.m. in the morning. I do that on Saturdays and Sundays too, because I like to start the day early.
I make my bed, check my mobile phone until 6:15 and go to the bathroom to have a shower. After that, I go to the kitchen to
have breakfast. I have a big breakfast because I get up early and I have lunch at school. I prepare my school bag and my uniform
and go to school. I study from 7:30 a.m. to 1:00 p.m. in the afternoon. I have lunch, hang out with my friends in front of the
school and go back home. But on Mondays and Wednesdays I have piano lessons. At home, I do the dishes from breakfast
and wait for my mum and dad. My family has dinner at half past six. We always go to bed at half past nine.
