New Directions Unit 1 Summary Task

Question 1

Karmiel Dance Festival, Israel

I am sitting in a café in Karmiel. It is a small town in northern Israel. The Karmiel Dance Festival begins tonight.

The festival is an amazing event. It takes place every summer and lasts for three days. You can watch many types of dances, including classic, modern, jazz and hip-hop.

It's now 8 o'clock in the evening. There are lots of people outside. I hear the loud music. I'm going now. I want to see the opening parade!
