Knowledge is Power | The Crown

Watch the video and complete the dialogue with the correct words.

Queen Elizabeth II peaks through blinds at her family before being joined by Professor Hogg. The Queen asks for knowledge on President Eisenhower, and the professor requests 24 hours for research.

Servant: Professor Hogg, your majesty
Professor: Your majesty
Queen: Professor, I know you were going to prepare some tutorials of a more General nature, but it seems I'm going to need some more specific .....first.
Professor: on which subject?
Queen: President Eisenhower, he'll be coming here in a .....of days, and I'll be expected to sit next to him and make conversation with him, so I need to know all about him and what .....him
Professor: the military industrial ..... ma'am
Queen: what?
Professor: and its threat to .....government, it's what most concerns him
Queen: something ....., perhaps?
Professor: golf?
Queen: anything else
Professor: oil painting I'm told he .....landscapes
Queen: oh, don't they all
Professor: would your majesty give me 24 hours to do some .....and come back to you,
Queen: yes, of course. He was baptized, wasn't he? Just six months ago.
Professor: yes, I think I .....about that, a Presbyterian
Queen: Did they dunk him, do you .....?
Professor: dunk?
Queen: full .....in some river
Professor: if I were a Gambling Ma'am, I'd say yes
Queen: are you?
Professor: .....the Derby man' in the Grand National
Queen: oh, how did you get on this year? At the .....rather well I had early Mist on each way bed.
Queen: oh, well done, you! He .....by 20 links, I .....your admiration for Mr O'Brien and everything he's doing at ballet do Stables.
Professor: who?
Queen: the ....., that's not why you backed him
Professor: oh, I just like the name.
Queen: I see.
Professor: .....in 24 hours
Queen: thank
