

Practice: Tick True/False based on the statement!

- | | | | |
|----------|--|------|-------|
| a | All pitches written in the bass clef are lower than the pitches written in the treble clef. | TRUE | FALSE |
| b | In the treble and bass clefs, middle C is written using one ledger line. | TRUE | FALSE |
| c | In the bass clef, ledger lines are only used above the stave. | TRUE | FALSE |
| d | The note middle C in the bass clef is in the same position as the note A in the treble clef. | TRUE | FALSE |

Practice: Tick (v) if it's the same place, cross if it's different place (x)

Practice: Tick Higher/Lower/Same based on the position in the Piano! (be careful with the sharps too)

a		b		c	
higher	lower	same	higher	lower	same
d		e		f	
higher	lower	same	higher	lower	same
