

1. Match the tool with correct picture and sound

Interactive matching exercise for tools. On the left, three speaker icons with sound waves and a blue dot. On the right, three images: a hammer and a nail, a paintbrush and paint cans, and a wrench and a nut/bolt.

2. Drag the word to the correct picture

Interactive drag-and-drop exercise for computer parts. A list of words (Mouse, CPU, Keyboard, Monitor, Printer) is on the left. A computer setup and a printer are on the right with numbered boxes (1-5) for labeling.
